

Online Registration through Foireann.ie

The basic steps are :

1. Log into the ReturnToPlay website you used last year, or as it is now called www.Foireann.ie
2. Go to the Profile menu option, make sure to click on consent to medical, photo and club communications (such as match and training events) where required. And make sure that Naomh Éamann Camogie, Laois – is in “Your Clubs”
3. Go to the Family menu option, create a “Family” using surname(s) as an example. Add your children, name details initially. Then click on the Edit button next to their name and update the Profile details also for them, DOB, consent information and again make sure that the NEC is in the “Your Clubs”, as you did in the previous point.
4. Also, invite the other parent / guardians to link this “Family”. They will be sent an email to login into Foireann also or create an account.
5. Once all family members are part of the account – click on the Membership menu option, select the correct Membership options, according to your child’s age group. Select the family member being registered against that option from the dropdown list. Continue for all the Family members you want to register. You will then be taken to the Payment options, which will take you to the Stripe online cart payment gateway, to process your payment. And a receipt will be emailed once the payment has being confirmed.

Notes:

- Committee members, trainers, assistants need to register under the “Committee / Trainer / Mentor Adult membership” option and must be a registered member of the club to assist.
- Adult Camogie players – do have an option of paying by a 2 part instalment process and will be offered that at the checkout process.
- Those wishing to pay by cash or cheque – still need to perform most of the steps above, of updating their profile, adding the girls and parents to the “Family” and when the Registrar receives the money, they will update the Registration as outlined.
- Rates for 2021 are the same as previous years:
